

## **JOB ANNOUNCEMENT**

**ChemPro Services is expanding services in the Houston area. We are looking for long-term, permanent team members to join and grow with our company.**

**POSITION: Industrial / Commercial Service Contract Manager (Major Projects)**

**Location: Houston, TX**

**Pay Rate: Salaries start at \$25 to \$30 per hour (\$48,000-\$58,000 annually)**

**\*Salary based on experience. Salary + Benefits.**

**ChemPro Services, Inc. is a privately-owned company and a leader in Commercial Vegetation Management and Utility Services.**

### **JOB DESCRIPTION:**

Applicant will primarily work at one of several large industrial customers in the Houston area. At various times of the year work projects will extend outside the Houston area and require overnight, out of town stays. This type of travel will depend on seasonality and workload but should not be considered regular.

- Main duties will include managing and performing herbicide applications and other methods of vegetation management using a variety of techniques, including **chemical** and mechanical methods to manage unwanted or nuisance vegetation.
- Manager will be responsible for always ensuring work safety.
- Travel to service customers in the region. Typically, travel will be within 3 hours of service center.
- Job involves the use of chemicals on a daily basis. Position requires extensive chemical applications and the need to mix chemicals, spray with low and high-volume equipment, and rinse and clean application devices. This requires having the ability to learn new skills.
- Operating various types of spray equipment from hand equipment to vehicles and RTVs.
- Efficiently plan daily work and routes to maximize production.
- Communicate with and work to meet customer service needs
- Perform daily inspections of equipment to ensure proper working condition.
- Properly measure, mix, and apply herbicides to ensure desired application results.
- Be able to troubleshoot and make repairs to equipment. Mechanical experience is not required, but willingness to learn.

- Maintain accurate records which include but are not limited to: daily application reports, weekly expense reports, and equipment check lists.
- Work weeks can exceed 50 hours during busy times of year.

## **JOB REQUIREMENTS**

- Valid driver's license & good driving record.
  - Leadership skills
  - Able to wear necessary PPE (Long-sleeved shirt, pants, boots, gloves, etc.)
  - Able to withstand exposure to all kinds of weather while completing work assignments, i.e., rain, heat, sun, cold.
  - Be able to lift, move and maneuver up to 50 pounds on an infrequent basis, and up to 10 pounds on a frequent basis.
  - Helpful to be handy with technology and equipment. Willing to learn and study how things work.
  - Drug Free, includes pre-employment and random screens.
  - Pass background check
  - Good communication skills; good physical condition; ability to work with minimal supervision; ability to travel as needed away from home.
  - Willingness to work in outdoor industrial or natural settings where extreme temperatures and high humidity can present extreme work conditions.
- Travel may be required weekly. Work may require overnight travel during the week. Travel will fluctuate through year depending on season and workload. Home weekends, but must be willing to travel out of town Monday – Friday.**

## **TO APPLY:**

*Following these instructions is part of the job interview process.*

- **Email resume, cover letter and salary history to [jobs@chemproservices.com](mailto:jobs@chemproservices.com).**
- Include accurate & verifiable past work experience.
- In cover letter point out specific traits of points that make you qualified for position.
- List any specific training or credentials you possess (OSHA, Pesticide Licenses, etc.).
